AMC Robotics Announces Delay in Filing Annual Report on Form 10-K

Apr 15, 2026

NEW YORK, April 15, 2026 (GLOBE NEWSWIRE) -- AMC Robotics Corporation (NASDAQ:AMCI) ("AMC Robotics" or the "Company"), an AI-driven robotics solutions provider, today announced that it will delay the filing of its Annual Report on Form 10-K for the fiscal year ended December 31, 2025 beyond the April 15, 2026 deadline required under SEC rules.

The delay is attributable to additional time necessary to finalize the accounting treatment for the warrants issued in the Company's previously announced private financing completed in connection with the business combination with AlphaVest Acquisition Corp. The Company and its advisors are working to finalize the appropriate accounting classification and disclosure for the warrants in accordance with U.S. GAAP. This technical accounting matter does not reflect any change in the Company's underlying business operations or financial performance.

About AMC Robotics Corporation

AMC Robotics (NASDAQ:AMCI) is an AI-driven robotics company focused on developing intelligent, scalable hardware and software solutions. The Company's quadruped robotic platform, Kyro™, enables industries to automate inspection, security, and operational tasks through autonomous mobility and AI-powered perception.

Cautionary Note Regarding Forward Looking Statements

This press release may contain statements that constitute "forward-looking statements" as defined in the Private Securities Litigation Reform Act of 1995. Forward-looking statements include information concerning the Company's possible or assumed future results of operations, business strategies, debt levels, competitive position, industry environment, potential growth opportunities, and the effects of regulation. These forward-looking statements are based on the Company's management's current expectations, projections, and beliefs, as well as a number of assumptions concerning future events. When used in this communication, the words "estimates," "projected," "expects," "anticipates," "forecasts," "plans," "intends," "believes," "seeks," "may," "will," "should," "future," "propose," and variations of these words or similar expressions (or the negative versions of such words or expressions) are intended to identify forward-looking statements.

These forward-looking statements are not guarantees of future performance, conditions, or results, and involve a number of known and unknown risks, uncertainties, assumptions, and other important factors, many of which are outside of the Company's control, that could cause actual results to differ materially from the results discussed in the forward-looking statements. These risks, uncertainties, assumptions, and other important factors include, but are not limited to: (a) challenges in opening operations in new jurisdictions, including but not limited to compliance with local ordinances, obtaining any necessary permits and regulatory oversight; (b) the ability to recognize the anticipated benefits of the new operations; (c) the outcome of any legal proceedings that may be instituted against the Company; (d) the ability to continue to meet the applicable stock exchange listing standards; (e) the effect of the Company's recently completed business combination with AlphaVest Acquisition Corp ("AlphaVest") on the Company's business relationships, performance, and business generally and the risk that such transaction further disrupts current plans and operations of the Company or its subsidiaries; (f) the ability to recognize the anticipated benefits of the transaction with AlphaVest, which may be affected by, among other things, competition, the ability of the Company to grow and manage growth profitably, maintain relationships with customers and suppliers and retain its management and key employees; (g) changes in applicable laws or regulations, including legal or regulatory developments (including, without limitation, accounting considerations); (h) the possibility that AMC Robotics may be adversely affected by other economic, business, and/or competitive factors; (i) AMC Robotics' estimates of expenses and profitability; and (j) other risks and uncertainties indicated under "Risk Factors" contained in the definitive proxy statement/prospectus for the transaction with AlphaVest, and other documents filed or to be filed with the SEC by AMC Robotics. Copies are available on the SEC's website, www.sec.gov. You are cautioned not to place undue reliance upon any forward-looking statements, which speak only as of the date made.

The Company assumes no obligation and, except as required by law, does not intend to update or revise these forward-looking statements, whether as a result of new information, future events, or otherwise. The Company gives no assurance that it will achieve its expectations.
